

Cincinnati Northern Model Railroad Club

September 11, 2018

Larry Snyder
PO Box 579
Lewisburg, Ohio 45338

Dear Larry:

I am writing on behalf of the Cincinnati Northern Model Railroad Club to thank you, along with other members of the Lewisburg Historical Society and the Bicentennial Committee, for inviting us to be a part of the Lewisburg Bicentennial celebration. You have been working with us for nearly two years as a liaison for this event, and we deeply appreciate your encouragement and guidance.

The event was a big success for us, despite the rainy weather. We were pleased with the number of visitors who came to see our layout that featured Joe Suttman's scale model of the Lewisburg depot. That model will find a home in Lewisburg as represented on our permanent layout, along with Heeter Coal, the (yet to be named) tobacco warehouses, and the Co-op grain elevator.

Each day many youngsters were thrilled at the opportunity to "drive a train," and some of the old-timers who watched the slide show or inspected the Cincinnati Northern historical exhibit shared stories about Lewisburg and the railroad "back in the day." All in all, we consider the entire weekend to have been time well spent.

Thank you again for working with us to make our participation possible. We welcome you and others from Lewisburg to visit our club any Tuesday evening.

Sincerely,

George Roos
Club President

Pam Baker
PO Box 697
Lewisburg, Ohio 45338

Dear Ms. Baker:

I am writing on behalf of the Cincinnati Northern Model Railroad Club to thank you and the Bicentennial Committee for inviting us to be a part of the Lewisburg Bicentennial celebration. The event was a big success for us, despite the rainy weather. We were pleased with the number of visitors who came to see our layout that featured a scale model of the Lewisburg depot, built by a club member, Joe Suttman. That model will find a permanent home on the large layout we are building that will include Lewisburg as a major town.

Each day many youngsters were thrilled at the opportunity to "drive a train," and some of the old-timers who watched the slide show or inspected the Cincinnati Northern historical exhibit shared stories about Lewisburg and the railroad "back in the day." All in all, we consider the weekend to have been time well spent.

Thank you again for including us.

George Roos
Club President

Lewisburg Historical Society • 6318 DEPOT LANE • Lewisburg, Ohio 45338

To The Cincinnati Northern Model Railroad Club:

The Lewisburg Historical Society members and the Bicentennial Committee would like to thank the members of the Cincinnati Northern Model Railroad Club for their participation in the celebration of Lewisburg's bicentennial on September 7-9, 2018.

The award winning model train display with a model of the Lewisburg CNRR depot, the historic table, and two slide shows was a hit with all who attended. And we appreciate the club's sharing of historical information about the railroad with us which augments the historical society's collection.

We enjoyed your participation and please feel free to visit us here at Lewisburg again.

Best Regards on Behalf of the Lewisburg Historical Society Members,

Larry Snyder
